**Dr. Kenneth J. Barnes** is the Mockler-Phillips Professor of Workplace Theology and Business Ethics at Gordon-Conwell Theological Seminary and Director of the Mockler Center for Faith. Prior to his academic career, Dr. Barnes spent many years as a senior international executive for several multi-billion dollar companies doing business on six continents. He has also served as a bi-vocational pastor in both the United States and the United Kingdom where he holds dual-citizenship.

and Ethics in the Workplace.

Professor Barnes' main areas of research and teaching are: the intersections of theology and economics and faith at work. He has published numerous papers in the U.S., U.K. and Australia. His recent book projects include: *Redeeming Capitalism* (Eerdmans) 2018; and "Religion and Business Ethics: Religious Perspectives on Business", in *The Routledge Companion to Business Ethics* (Routledge) 2018.

**Canon Edmund Newell** has been Principal and Chief Executive of Cumberland Lodge since 2013. An economic historian and priest in the Church of England, he was previously a Research Fellow at Nuffield College in Oxford, Chancellor of St Paul's Cathedral in London, where he was the founding Director of the St Paul's Institute, and Sub-Dean of Christ Church, Oxford. Ed is a regular contributor to *Pause for Thought* on BBC Radio 2. His publications include the co-authored books, *Ethics & Investment Banking* (with John Reynolds) and *What Can One Person Do?* (with Sabina Alkire), a theological reflection on the Millennium Development Goals. His latest book, *The Sacramental Sea: A Spiritual Voyage through Christian History*, was published in 2019. Ed is also a Fellow of the Royal Historical Society and the Royal Society of Arts.

**Prof Naoto Yoshikawa** is a Vice Chancellor of Tokai University where he has been teaching International Development Theory. He has worked for the United Nations Development Program (UNDP) and the Food and Agriculture Organization of the United Nations. His publications include "Expansion of Official Development Assistance in Japan: ODA and Security," *Economic Theory*, "Japan's ODA Policy", "Japan's Diplomacy and the International Society: How Japan Has Faced the World" Tokai University Press, March 2005, pp 41-47.

*"Food and Human Security," "Human Security in the 21st Century," Tokai University Press, March 2005, pp175-202.*

**Dr Peter Petkoff** is a Senior Law Lecturer at the Brunel Law School. He is also Director of the Religion, Law and International Relations Programme, a collaborative international research network at Regent's Park College, Oxford, and Managing Editor of the Oxford Journal of Law and Religion. Peter is involved in cutting edge research on the relationship between religion and politics and law and religion. In his capacity as Director of the Religion, Law and International Relations Programme at Regent's Park College, Oxford, he brings together lawyers, theologians, philosophers, social and political scientists and aims to develop innovative interdisciplinary strategies for studying law, religion and international relations from legal and theological perspectives.
